Bournville School Visits

Teachers Guide – Making sure your visit is safe, educational and fun.

Topic

Our Bournville themed visits uncover the important role George Cadbury had in developing the garden village of Bournville. Through tours of the village green, stories, and games, students can learn about the Quaker ethos at the core of George Cadburys vision. Build your own village and learn about the differences between city and country living for the workers of Bournville. If you would like us to tailor your visit to your topic please discuss this with us when booking. *This session supports a number of Key Stage 1 and 2 National Curriculum elements including 'the lives of significant individuals in the past' and 'a local history study'.*
